

# Gather & Serve Newsletter

Living Christ's Love, we invite all to worship, learn, disciple  
and serve

April 1, 2021

*Now the green blade rises, from the buried grain.  
Wheat that in the dark earth, many days has lain.  
Love lives again, that with the dead has been.  
Love is come again like, wheat arising green.  
~ Now the Green Blade Rises*

In the time I've gotten to know you all, it's no secret that I love the "old" hymns. I don't love them so much because I'm a traditionalist when it comes to worship. I've come to love them because they recall memories of my days growing up on the farm, and as I've gotten older I've come to better understand the beginnings of my faith that still guide me today.

The Easter hymn I share above has always spoken to me. I remember planting winter wheat in the fall, and getting excited in the spring to see the first shoots of that wheat emerge from the ground – signs that our labors would bear fruit in the coming season. That winter wheat was always there, waiting for the moment that when conditions were right, to emerge in a way that offered a glimpse of joy. A glimpse of hope.

So much has been dormant – not just this past winter, but this past year. In some ways, it can seem like there's no end to the dormancy, things being shut down, and the lack of normalcy. Yet, the promise of Easter is that God and God's love springs forth. Perhaps it is not in the ways we expect, but the signs are always there. I believe those signs are there, waiting to be noticed, and waiting to renew our hope and excitement for a life in service to God and to neighbor.

As spring comes, and we have more opportunities to safely gather and get to know each other, I'm excited and hopeful, as we continue to journey alongside each other as God's church!

Pastor Aaron

Worship Assistant, Assisting Ministers...whatever we call them, we need  
you!

Now that Pastor Aaron is about 6 months into his call with us, the time is right to consider adding persons interested in assisting with worship leadership. (Or as Pastor Aaron says, “you’re likely getting sick of hearing only me talk.”)

What does an Assisting Worship leader do? They will be responsible for leading portions of the service – prayers, reading the Old Testament lesson, and the ending dismissal. There may even be the occasional opportunity for preaching, if you’re interested in that!

If you’d like to learn more, or volunteer, please contact Pastor Aaron or Tammy Jarvi. Thank you!

**Building and Grounds**

Pastor Aaron and I had a discussion about a spring cleaning. We would like to reintroduce this tradition that serves a multitude of needs. Clean church, fellowship, ownership and just for the love we have for our sacred place. I will put up a sign up sheet in the fellowship hall. We pray to get between 20-30 souls to make this possible. We are very fortunate to be custodians of past generations who have placed this building in our care. Lets preserve it for them. God Bless John Gilb

Look for the sign up sheet in the Fellowship hall—or email [Melissa@ourfatherschurch.org](mailto:Melissa@ourfatherschurch.org) to get on the list to help.

## Sunday School

Last fall, our Sunday School Students studied a curriculum about the Lord's Prayer.

Starting in January, we have chosen one student each Sunday to lead the group in saying it out loud. A lot of the older students who have heard it many times are able to get through the entire prayer from memory! Others are able to remember most of it with just a little bit of help. Our youngest students have been able to lead the prayer with a teacher whispering each line in their ear first.

Regardless of their level of memory, the enthusiasm that each student has shown while reciting the prayer has been so fun and so inspiring to see! Our goal is to be able to lead the entire congregation in the Lord's Prayer during a church service before the year is through.

## Men's Group

*But those who hope in the Lord will renew their strength. They will soar on wings like eagles; they will run and not grow weary, they will walk and not be faint.*

*Isaiah 40:31*

Have we put our hope in the Lord, or have we put our hope in our own strength and abilities? Our own strength can fail us, our abilities can falter. The Lord will not let us down. Sometimes it can be hard to see what God is doing through us. Sometimes we need to take a break from our business to see that hope God so freely offers to each of us. We need to share that hope with other Christians, other men, traveling this journey with us.

The Men's Group invites all men to join us for discussion and fellowship on the 1st and 3rd Saturdays of each month from 7:30am-9:00am. We are meeting both in-person in the large education room and online with zoom.

A few updates from our recent meetings:

- Our Men's group will not be having a retreat this spring. With ongoing concerns about Covid-19 safety, we are going to wait until March, 2022, for our annual retreat.
- We are working to include a more regular Bible study as part of our meetings. Paul Bolstad will be leading discussions based on the book Making Sense of the Bible by Adam Hamilton.

## Financial Statement

	CURRENT YEAR MTD			PRIOR YEAR MTD	
	Actual 2021	Budget	Better/ (Worse)	Actual 2020	Better/ (Worse)
<b>February Contributions</b>					
Giving	\$ 25,748	\$ 17,000	\$ 8,748	\$ 19,420	\$ 6,329
<b>February Expenses</b>					
Payroll/Stipends/Prof Fees	9,686	10,251	565	15,349	5,663
Charitable Contributions	3,251	1,070	(2,181)	600	(2,651)
Building Expenses	3,899	4,676	777	5,652	1,752
Utilities	1,718	1,755	37	1,620	(98)
Printing & Reproduction	236	236	-	472	236
Supplies & Other Expenses	237	977	739	2,162	1,925
Total Expenses	19,027	18,965	(62)	25,855	6,828
<b>Net Income</b>	<b>\$ 6,721</b>	<b>\$ (1,965)</b>	<b>\$ 8,686</b>	<b>\$ (6,435)</b>	<b>\$ 13,156</b>
<b>Total Cash Balance</b>	<b>\$ 87,297</b>			<b>\$ 64,102</b>	
<b>Designated Cash Balance</b>	<b>\$ 53,384</b>			<b>\$ 52,075</b>	

The above financials reflect cash basis activity where actual cash received is compared to cash paid out for expenses. *WAY TO GO OFLC! In February, we caught up with our year-to-date budget resulting in \$1,870 favorability in net income.*

**Contributions** were higher than budget even with the \$5k from January that was deposited in February. For the year, we are about \$1.8k ahead of budget.

**Expenses** were slightly over budget mostly driven by charitable contributions. Charitable contributions are budgeted each month, but will be paid on a quarterly basis. Since this statement is based on cash activity, November and December payments were made in February. This is all offset by lower expenses for the building where we didn't get as much snow as expected. Also, there was lower supply expenses due to some 2020 adjustments made.

Included in this analysis is a comparison to February 2020. Expenses are overall lower this year than last.

The **cash balance** for February 28, 2021 is \$87,297 which is a higher cash position than in 2020. Designated cash did not change much year over year with the building fund making up most of the balance. We continue to have a kitchen fund, seminary scholarship, social concerns, and ministry as our other designated cash funds.

## Nourishing Hope

## Community Outreach

Have you noticed these boxes above the coat rack? Our Father's is hosting these emergency food boxes from WCCA. In an emergency, individuals-in-need can receive these meal supplies. This program allows for extended hours of access and smaller distances between people and food security resources. It also provides a method for Wright County Community Action to connect with those experiencing crisis or poverty, introduce them to local resources such as a food shelf, and encourage them to take further action in reducing any negative impact their situation holds. Contact [kim@ourfatherschurch.org](mailto:kim@ourfatherschurch.org) or call 763-477-6300 for more information.

## GOOD NEWS ABOUT THE COMBINE

The Harvesters of Hope project to assist small farmers in the Iringa Diocese of Tanzania involved the congregation at OFLC in a way that showed how great things could be accomplished when working together.

Many members helped in various ways to meet the challenge that had been laid before us by Ray Menard of the Cheetah Development organization. It was truly inspirational to see what was accomplished back in 2014/2015 to assist Cheetah in bringing new hope to small farmers, many of whom were our fellow Lutherans there in Tanzania.

The John Deere 3300 combine we purchased for \$4000 was modified in the workshop of Jim Strehlow's son, Steve. He loaded it into a 40' container for shipment by sea and it arrived there in May, 2015. Steve and wife, Sheri, Brian Walton were a team led and guided by Paul Bolstad in October and November 2015 to Iringa to train Cheetah employees to operate the now modified combine as a mobile corn thresher.

Changes in the government led to changes in Cheetah's situation; the new government created many obstacles that were ultimately too much to overcome. So Cheetah Development had to shut down and the combine was stored at the Danish Mission Compound where Cheetah had their offices. And there it sat as Paul tried to redeploy the combine with other organizations that were working with farmers.

Finally, in 2020, we found a new partner to put the combine to use. He is a second generation dairy farmer near Iringa with long experience in using farm machinery. He has agreed to take responsibility for the combine and make it available to nearby small farmers who need an efficient way to thresh their corn at harvest. Some of these farmers are the same or similar ones to that Cheetah had plans to serve.

So, here is our combine doing what we hoped it would do back in the beginning...

We expect to have further updates on the use of the combine at Kibebe Farms Ltd., our new partner, especially during the next harvest season starting in July and continuing through October.
