

Our Father's Lutheran Church

Minor Child Photo Permission

Many times during the church year, we have occasion to take pictures of children. These photos may be used for bulletin boards, scrapbooks, flyers and other publications. In addition, local newspapers may ask to take photos of children for their publications. We also take Polaroid's, digital images, slides and videos of special events.

It is the policy of Our Father's Lutheran Church that individual names will not be associated with any picture on the website.

Yes, I give permission for my child, _____, to be included in all photographic images that may be taken for church related activities including but not limited to: newspapers, television, slide presentations, scrapbooks, brochures, church website and church videos.

I realize that this permission will be in effect for every year that my child attends Our Father's Lutheran Church. If any time I wish to deny this permission, it will be my responsibility to notify the church in writing.

No, I do not want my child included in church photos, etc.
